

**Green River Regional Educational Cooperative***Proudly Presents***BehaviorPlus™ Data Collection, Analysis  
and User Fidelity****July 2, 2013****Workshop #064-13**

Green River Regional Educational Cooperative  
230 Technology Way    Bowling Green, KY 42101

Kentucky PASS programs have been using BehaviorPlus™ to collect student behavior data. This session will demonstrate the use of the products available and provide technical assistance. Data collected allows educators to develop plans, monitor student performance, and manage data to support results-driven instruction at the individual, district and state level.

We will also be looking at a more structured key of values for each Behavior Resolution in order to be more consistent across the region, as well as do a fidelity activity to improve consistency of monitored progress.

**Audience:** BehaviorPlus Administrators and PASS Coaches using this software.

**Presenter:** *PCG Education*

Attendees should bring laptop or Ipad along with any questions or roadblocks you encountered this year.
